If you don't know what a swap is

First ALL FREE & come even if you don't have stuff

Anyone that wants to partake brings any items from their house or condo they don't want. We collect and then one night we all get together and take what we want from the Goods. Remember one woman's trash is another's treasure. What ever is left we donate. Any item is acceptable. Examples: Cloths, pics, dishes, books, lamps, small appliances, small tables, pillows, decorations, jewlery, tools, paint & craft items. This is a great way to clean out all those closets we have!!
